Year 9 Music: Ensemble Performance Assessment Rubric

Strand 1: Performing (AO1)		
Focus: Technical control, rhythmic coordination, and stylistic expression.		
Studio Tier	**Descriptor**	**Performance Checklist (Universal Active Voice)**
Grade A: The Master Track 🌟	**Highly**	🎶 Notes & Rhythm: Plays every note and rhythm perfectly. Does not stop or slow down. 🥁 The Beat: Maintains a rock-solid internal pulse, even during complex or syncopated passages. 🎸 Style: Produces a clear, resonant, and professional tone. Uses dynamics and articulation perfectly to fit the style.
Grade B: The Radio Edit 📻	**Mostly**	🎶 Notes & Rhythm: Plays with only one or two tiny slips. Recovers immediately without stopping the ensemble. 🥁 The Beat: Keeps a steady beat. Stays in time with the backing track or conductor. 🎸 Style: Produces a secure, controlled tone. Accurately applies specified dynamic shifts and articulations.
Grade C: The Solid Demo 🎬	**Generally**	🎶 Notes & Rhythm: Plays most notes and rhythms correctly. Makes some mistakes, but keeps the music together. 🥁 The Beat: Maintains a generally reliable pulse, though might rush or slow down occasionally. 🎸 Style: Produces an acceptable tone. Plays basic notes with limited stylistic nuance.
Grade D: The Rough Cut 🔨	**Some**	🎶 Notes & Rhythm: Struggles with notes and rhythms. Stops and starts frequently because of getting lost. 🥁 The Beat: Finds it hard to keep a steady beat. Relies heavily on peers to find the correct place. 🎸 Style: Produces a weak or breathy tone. Shows minimal variation in dynamics or articulation.
Grade E: The Scratch Take 🔄	**Attempted**	🎶 Notes & Rhythm: Plays only small fragments of the music. Cannot follow the notation structure. 🥁 The Beat: Cannot keep a beat or stay in time with the class. 🎸 Style: Shows no control over tone production or stylistic delivery.
