CAREER MYTHBUSTERS!

TRUE, FALSE OR IT DEPENDS?

Test your knowledge about careers, university and the world of work!

HOW IT WORKS:

1. Read each statement.
2. Write T (True), F (False) or D (It Depends).
3. Be ready to compare your answers with a partner.

1 All high-paying careers require a university degree.

FALSE

2 The same degree can lead to different careers.

TRUE

3 Choosing a career at 16 means you are locked into it for the rest of your life.

FALSE

4 Employers value skills gained outside the classroom.

TRUE

5 You can build a successful career without going to university.

TRUE

6 Job roles and skills will look very different in the future.

IT DEPENDS

CAREER EXPLORER

DISCOVER YOUR OPTIONS

LESSON OBJECTIVE

To explore a range of careers, challenge assumptions and identify a next step for my future.

LEARNING AIMS

1. Explore careers I may not have considered.
2. Identify what different jobs involve.
3. Recognise that careers can have different pathways.
4. Reflect on a career I want to investigate further.

SUCCESS CRITERIA

- I can describe at least two careers I explored.
- I can explain one discovery that surprised me or challenged an assumption.
- I can identify one career I want to explore further and a next step.

MEET LAUNCHPOINT!

Your career discovery platform to explore, learn and plan for the future!

What is LaunchPoint?

A fun and interactive platform to help you:

- Explore a wide range of careers
- Discover the skills you'll need
- Learn about different learning pathways
- Find your next step

Your Challenge...

Explore LaunchPoint and complete the tasks in your Google Doc.

Take your time and enjoy the journey!

YOUR MISSION

EXPLORE. DISCOVER. RECORD. REFLECT.

LaunchPoint

YOUR CAREER. YOUR WAY.

Use LaunchPoint to explore careers that match your interests, discover different job roles and pathways, and record your findings on your Google Doc.

40 MINUTES TO EXPLORE!
