

HS Outstanding Character Certificate

Your Challenge

Design a certificate that makes a student feel that what they did was genuinely special. This will be a competition run for all high school students to enter. The best design will be used moving forwards as HS Outstanding Character Certificates 2026/2027.

HS Character of Recognition points awarded to all participants who turn in a submission.

About the Certificate

The HS Outstanding Character Certificate will be **presented to students** who have **demonstrated something exceptional** through their actions, choices, personal growth, perseverance, kindness, leadership, service or contribution to our community.

It should feel like an award that a student would be proud to receive and keep.

Your design MUST include:

- ☐ HS Outstanding Character Certificate — *the title*
- ☐ [School name]
- ☐ [School logo]
- ☐ A clear space for “*Presented to:*” and the student's name
- ☐ A clear space for “*In recognition of:*” where the reason for the award can be written
- ☐ [Date]
- ☐ A signature space

Only use the School logo attached to this post

Other than that - be creative!
